Mr. Charles Banta
Banta Fruit Company
641 W. Wall
Springfield, Missouri 65806

Dear Mr. Banta:

Please be advised that on Friday, November 14, 1980, personnel from the City of Springfield's Water Pollution Control Section, Surveillance and Enforcement Branch, responded to a diesel fuel spill within the corporate limits of the City. The spill occurred when one of the Banta Fruit Company's truck drivers accidentally spilled approximately 50 gallons of diesel fuel on the 600 block West Wall Street. The diesel fuel also entered the storm sewer on West Wall. As a result of this, City personnel had to spread sawdust on the street and had to set up absorbent booms and pads in Jordan Creek to trap the oil that entered the storm sewer.

The ordinances of the City provide for the recovery of the costs involved in the abatement of a violation under emergency conditions. Payment of those costs should be made to the City of Springfield, Sanitary Services Department and sent to:

City of Springfield
City Hall, Room 210
830 Boonville
Springfield, MO 65802
Attention: Mr. Robert Schaefer

600 W. WALL

Mr. Charles Banta
Page 2
November 21, 1980

Attached to this letter please find a detailed explanation of the costs involved and a copy of Chapter 30 of the Springfield City Code. If you have any questions, please don't hesitate to call.

Yours truly,

Karen Chandler
Water Pollution Control Inspector II
Surveillance and Enforcement
